Dear Parent/Carer

Coronavirus Measures in School

Magnus Academy is continuing to follow government guidelines which means there will be times during the academy day when students are expected to wear face coverings (unless exempt). This will be at times when social distancing is more difficult, but as the guidance states, not in lessons.

In the context of the coronavirus (COVID-19) outbreak, a face covering is something which safely covers the nose and mouth. You can buy reusable or single-use face coverings. You may also use a scarf, bandana, religious garment or hand-made cloth covering but these must securely fit round the side of the face.

Once removed, it is essential that face coverings are stored in sealable plastic bags between uses. If you are unable to source either of these by Monday the school will have a small supply available.

Students will be fully briefed on how and when they are expected to wear their masks in school. If you believe your child has an exception please reply with full details and make a note in their student planner.

Thank you in advance for your continued support during this challenging time.

Yours faithfully

Mr J Semmelroth
Vice Principal
