RECRUITMENT, SELECTION AND APPOINTMENT PROCEDURE

When a vacancy arises or is anticipated, either as a result of the creation of a new post or otherwise, the Headteacher will:

- request that the member of staff resigning to complete and exit interview form (Appendix 2)
- ensure that the job needs doing (in the immediate and mid-term future) in the way it is defined normally through a process of job review;
- satisfy themselves that any grading implications of changes made have been addressed;
- ensure that the leaver form (Appendix 3) has been completed, authorised and submitted to the Business Director of the MAT;

On receipt of the leaver form for a member of staff the MAT Business Director will:

- discuss possible options available with the Headteacher to try to ensure the needs of the academy are met;
- check pay requirements for the proposed role against the terms and conditions agreed for employees of the Diocese of Southwell and Nottingham MAT
- check that sufficient funding is available to the academy to enable it to appoint a replacement member of staff;
- liaise with the Finance committee of the MAT Board as necessary, for example if the request is outside the existing approved staffing structure or if sustainability issues are identified;
- confirm to the Headteacher that they may proceed with the appointment (or not).

If the post is a new role, for which there is no existing job description, the MAT Business Director will:

- ensure that a job description has been written and that it has been evaluated by the HR Advisor (currently Browne Jacobson).

On receipt of confirmation that the post may be filled the Headteacher will;

- translate job requirements into a Person Specification (Appendix 4) against which candidates can be matched. This specification will also be taken into account in the drafting of the further particulars of the job.
- arrange for the vacancy to be advertised in suitable media (eg TES, County Council website, local press). Where there is a reasonable expectation that there are sufficient qualified internal candidates or where staff are at risk of redundancy, an internal advertisement is considered to be appropriate;
- ensure “Starting – Pay” requirements, including personal gradings, are agreed in consultation with the MAT Business Director;
- consider the appointment of a panel in line with the relevant MAT scheme of delegation to be responsible for the selection process and ensure trained advice on good, non-discriminatory practice eg Safer Recruitment Certified;
- issue appropriate guidance to potential applicants regarding the required means of making an application and any supporting information they need to bring to the interview, including meeting safer recruitment requirements and Disclosure and Barring Service (DBS) checks (Appendix 7) ;
- consider any short-term arrangement desirable to cover the position until a permanent appointment is made;

The Headteacher will set up a interview process and selection panel (this may be delegated to a senior member of staff), which will;

- determine arrangements for long and short-listing of candidates from the applications received after the published closing date and keep necessary records of decisions;
- consider appropriate measures of the suitability, including the use of the selection tests against the specification prepared, of the candidates identified above;
- arrange and carry out selection interviews using the shortlisting form (Appendix 5) having regard for the following:
 - medical fitness
 - references - 2 references should be taken up, one of which should be from the most recent employer (Appendix 6);
 - DBS check - ensure the proof of identity is verified at interview (Appendix 7);
 - Undesirable Applicant Check (incl. financial checks where access to cash etc)
 - qualification check - where not accounted for in points above interviewers will have sight of original certificates or arrange confirmation of this evidence with the issuing authority/body
 - prevention of illegal working (Appendix 13)
 - disqualification from childcare if applicable (Appendix 14)
- select the most suitable candidate(s) for the job on merit (or repeat process, and/or refer back to the Directors);
- record the content and outcome of the interview and the basis for the assessment made (Appendix 8) and consider starting pay *(where discretion exists);
- make oral offer of appointment subject to references, DBS check and all other recruitment checks being satisfactory;
- contact unsuccessful candidates attending for interview to offer regrets.

Following the appointment Headteachers will ensure that:

- the MAT Business Director is notified to confirm offer in writing and follow up with written contract;
- the employee responsible for the payroll is notified of the appointment with the details of the successful candidate including the pay grade and hours as previously agreed with the MAT Business Director (Appendix 9);
- the applicant applies for a DBS check using the online system (Guidance for Applicant Appendix 10)
- the applicant completes a Pre-Employment Health Questionnaire (both teaching and support staff)

Following the appointment the MAT Business Director will ensure that:

- the member of staff is issued with an initial offer letter using the appropriate template (Appendix 11a and 11b) and contract of employment comprising the terms and conditions as agreed by the MAT Board (Appendix 12a and 12b);

Following the appointment the member of staff responsible for the payroll will;

- set the new member of staff up on the payroll with the external provider
- complete the necessary forms for Teachers Pensions (TP) or the Local Government Pensions Scheme (LGPS) as appropriate

On the commencement of employment, the Headteacher will;

- determine an individual induction plan;

- discharge their responsibilities with regard to probation/initial appraisal;
- evaluate the success of the recruitment, selection and appointment activities;
- consider undertaking “quality control” of this or the next vacancy with specific focus on the areas identified above;
- ensure the register of checks and clearances is updated with the details of the new employee;
- ensure requirements in respect of prevention of illegal working (Appendix 13) are met;
- ensure requirement in respect of disqualification from childcare (Appendix 14) are met if applicable
- ensure that appropriate records of the process are kept including, for example;
 - application form, references, proof of identification, proof of academic qualifications, certificate of good conduct (where applicable), evidence of medical clearance from Occupational Health (where applicable) as part of the personal file for the successful candidate. A copy of DBS clearance should not be retained on the personal file.
 - adverts, response analysis including dates/media placed;
 - details of all applicants, interview/assessment notes and reasons for not appointing ie results of any tests or outcome of staffing qualification verification, any queries received concerning the process and any “quality control” undertaken kept on file for six months then shredded.

EXIT INTERVIEW

The recruitment process begins with the completion of a job description and person specification. To help your Headteacher in completing this you are asked to give some thought to the questions below. Where appropriate the job description for your post is attached.

You are asked to complete the form within the next 2 working days and return it to....., so that your views can be incorporated into the recruitment process. If you have difficulty in completing this form the MAT Business Director 07841 024992 will offer you appropriate assistance.

If, for any reason, you do not wish to do this exercise then clearly there is no compulsion.

Using a Person Specification

- 1 A specification translates the needs of the job into human requirements against which people can be assessed.
- 2 It should normally be completed prior to the preparation of the advertisement, further particulars, etc. **It is a requirement for some employment groups and strongly recommended in all cases.**
- 3 In completing the specification, managers should rely upon the analysis of job-related information, eg job description, working conditions, other relevant organisational factors.
- 4 It is essential that the specification is based on what is needed to do a job, not those attributed to a current or previous postholder.
- 5 This specification can also be completed at other stages of personnel activity, eg identification of training needs, where comparison is necessary between:
 - those attributes needed in a person to perform the defined duties and responsibilities of a particular job; and
 - the attributes of a particular candidate or current postholder.
- 6 Attributes are listed in two groups:
 - (i) **ESSENTIAL REQUIREMENTS**, those which are essential for adequate performance of the duties and responsibilities;
 - (ii) **DESIRABLE REQUIREMENTS**, those which, whilst not essential for adequate performance, may actually result in the delivery of enhanced performance;

DBS LETTER TO APPLICANTS

Dear Applicant

This letter is to inform you that if you are considered for appointment to the post for which you have applied, you may be subject to a check of criminal and other records. This will have been specified in the advertisement for the post.

The 1997 Police Act allows employers to obtain this information on people who are being considered for appointment to positions involving work with children, vulnerable adults or other positions of trust.

This information is obtained from the Disclosure and Barring Service, an executive non-departmental public body who provide a range of official data sources for recruitment purposes.

The Diocese of Southwell and Nottingham Multi Academy Trust is registered with the Disclosure and Barring Service and has to comply with their strict requirements for ensuring that sensitive personal information is handled and stored appropriately and is kept for only as long as necessary. A copy of the Disclosure and Barring Service Code of Practice may be provided on request.

Please note that previous criminal convictions are not an automatic bar to employment, this will depend on the nature of the position and the circumstances and background and your offences.

As an applicant for positions involving work with children, vulnerable adults, or other positions of trust, you must provide information about all convictions, bind-overs, cautions, reprimands and indicate if you have any prosecutions pending.

If you are invited for interview and, following the interview, are being considered for the post you have applied for, **we will:**

- **Ask you** to produce proof of identity and documentation that confirms your eligibility to work in the UK which requires:
 - at least one item of photographic evidence (eg current passport or new style UK driving licence or other validated photograph OR a full birth certificate).

AND

- at least one item of address-related evidence of identity (eg utility bill, bank credit card, or mortgage statement showing your name and address).

YOU MUST BRING THESE DOCUMENTS WITH YOU IF INVITED FOR INTERVIEW

- **Ask you** to complete an on-line Disclosure and Barring Service application (the Trust will meet the cost of the disclosure fee).
- **Consult you** if information is disclosed to us by the DBS which might lead us to consider you unsuitable for the post you have applied for.

If you have any questions or concerns about the contents of this letter, please raise these at your interview.

DOCUMENTS THE APPLICANT MUST PROVIDE FOR DBS CHECKS

The Criminal Records Bureau (CRB) and the Independent Safeguarding Authority (ISA) have merged into the Disclosure and Barring Service (DBS). CRB checks are now called DBS checks.

The person going through a DBS check (the applicant) must give their employer original documents (not copies) to prove their identity.

The documents needed will depend on the route the application takes. The applicant must try to provide documents from Route 1 first.

Route 1

The applicant must be able to show:

- one document from Group 1, below
- 2 further documents from either Group 1, or Group 2a or 2b, below

At least one of the documents must show the applicant's current address.

Route 2

If the applicant doesn't have any of the documents in Group 1, then they must be able to show:

- one document from Group 2a
- 2 further documents from either Group 2a or 2b

At least one of the documents must show the applicant's current address. The organisation conducting their ID check must then also use an appropriate external ID validation service to check the application.

Route 3

Route 3 can only be used if it's impossible to process the application through Routes 1 or 2.

For Route 3, the applicant must be able to show:

- a birth certificate issued after the time of birth (UK and Channel Islands)
- one document from Group 2a
- 3 further documents from Group 2a or 2b

At least one of the documents must show the applicant's current address. If the applicant can't provide these documents they may need to be fingerprinted.

GUIDANCE ON EMPLOYMENT CLEARANCES AND PREVENTION OF ILLEGAL WORKING

From 1 May 2004, the Government has extended the right to live and work in the UK to citizens of the following countries via regulations made under the *European Union (Accessions) Act 2003*.

Cyprus	Latvia	Slovakia
Czech Republic	Lithuania	Slovenia
Estonia	Malta	
Hungary	Poland	

Nationals of these states will have the same right to live and work in the UK as EEA citizens.

However, once nationals from these states with the exception of Malta and Cyprus have found a job in the UK, they will have to register under a new 'worker registration' scheme. On registration they will be provided with a worker's registration certificate. This certificate will be issued for 12 months and will confirm that the person has the right to live and work in the UK while they are working in that job.

In order for them to apply for the worker's registration certificate from the Home Office you will need to provide them with evidence of their employment with you.

From 1 May 2004, nationals from Malta and Cyprus and those who are self-employed will have the full right to live and work in the UK and are not required to obtain a worker's registration certificate.

CLEARANCE CHECKS FOR ALL EMPLOYEES

You are required to satisfy yourself that your potential employee is the rightful holder of any of the documents they present to you. These documents should also allow them to do the type of work you are offering.

You must carry out the following reasonable steps when checking all of the documents presented to you by your potential employees:

1. Check any photographs, where available, to ensure that you are satisfied they are consistent with the appearance of your potential employee.
2. Check the dates of birth listed so that you are satisfied these are consistent with the appearance of your potential employee.

3. Check that the expiry dates have not been passed.
4. Check any United Kingdom Government stamps or endorsements to see if your potential employee is able to do the type of work you are offering.
5. If your potential employee gives you two documents from **List 2** which have different names, you should ask them for a further document to explain the reason for this. The further document could be a marriage certificate, divorce document, deed poll, adoption certificate or statutory declaration.

Finally you should make a photocopy or a scan of the following parts of all documents shown to you:

1. The front cover and all of the pages, which give your potential employee's personal details. In particular, you should copy the page with the photograph and the page, which shows his or signature.
2. Any page containing a United Kingdom stamp or endorsement, which allows your potential employee to do the type of work you are offering.

You should then keep a record of every document you have copied. By doing this the Immigration Service will be able to examine your right to the defence if they detect anyone working illegally for you.

You should require all potential employees to undergo these checks, not just people with "foreign" names or from ethnic communities, to ensure that there is no discrimination in the process.

Contravention of these requirements is a criminal offence and severe financial penalties can be imposed.

GUIDANCE ON DISQUALIFICATION FROM CHILDCARE

This refers to obligations relating to disqualification under the Childcare Act 2006 which came into force in schools in late 2014.

This legislation applies to:

1. In primary schools it applies to all staff who are employed in and/or provide early years childcare.
2. All staff involved in before and after school clubs attended by children under 8 years of age.

Volunteers are also covered by this legislation if they volunteer on a regular basis in either of the above or are involved in the management of the provision of 1 or 2 above.

The February 2015 guidance now explains that staff not employed directly to provide childcare are not covered by this guidance.

Informing staff

You will need to make staff aware that there are certain things that may mean that they are automatically disqualified from providing childcare (affecting their role within this school) by themselves or a member of their household having committing a disqualifiable offence or a disqualifying event. These broadly fall into the three below categories:

1. That you or a member of your household have a caution/conviction for certain violent/sexual offences
2. Grounds relating to the care of children, or the children of others in your household
3. That you or a member of your household have had registration refused/cancelled in relation to childcare

If a member of their household has committed a disqualifiable offence / event then they would be automatically disqualified from providing childcare by your association with that disqualified person. This is known as 'disqualification by association'.

When we refer to members of household, please be aware that this is not limited to just partners, civil partners or spouses, it also applies to anyone (either child or adult) who lives or works in their household. When declaring information relating to others in their household, they should be aware that they are required only to declare information which is to the best of their knowledge and they are not obligated to go home and start asking questions of others in their household relating to the above.

You should also be aware that whilst disclosure relating to staff themselves would usually be exempt from the Rehabilitation of Offenders Act, i.e. they should declare convictions / cautions irrelevant of whether they are considered spent or not, for declaration relating to others living in their household, the Rehabilitation of Offenders Act would be applicable and therefore only those convictions / cautions which are classed as unspent would need to be disclosed.

Ofsted have provided a list of disqualifiable offences which can be found in Table A at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/414345/disqual_staff-guidance_Feb_15_3_.pdf

You will need to ensure that staff read through this and approach you if there is anything to declare under the disqualification guidance relating to themselves or anyone else in their household. It is only the offences / events on this list that we require staff to declare

You should also make staff aware that they have an ongoing responsibility to inform you without delay if their own or anyone in their household's circumstances change relating to the disqualification guidance.

You will be required to ensure staff who are covered by the disqualification legislation are informed of the above and sign an attendance sheet to confirm that they have attended this meeting. For existing staff who are covered by this legislation, this meeting should be arranged without delay and you should ask staff to read and sign the declaration in Appendix ii as part of the induction process for new starters.

You have a responsibility to ensure that staff are clear relating to their obligations regarding disclosure pertaining to Disqualification under the Child Care Act 2016.

FORM TO BE SIGNED AT THE DISQUALIFICATION BRIEFING BY ALL STAFF COVERED UNDER THE DISQUALIFICATION LEGISLATION.

DISQUALIFICATION FROM CHILDCARE INFORMATION FOR NEW EMPLOYEES

This information is to make you aware of your obligations relating to disqualification under the Childcare Act 2006 which came into force in schools and academies in late 2014.

The role that you have been conditionally offered been identified as one which the disqualification declaration applies to.

You need to be aware that there are certain things that may mean that you are automatically disqualified from providing childcare, which could affect whether you can work in this role. These are whether you or a member of your household has committed a disqualifiable offence or a disqualifying event. These broadly fall into the three categories below:

4. That you or a member of your household have a caution/conviction for certain violent/sexual offences
5. Grounds relating to the care of children, or the children of others in your household
6. That you or a member of your household have had registration refused/cancelled in relation to childcare

If a member of your household has committed a disqualifiable offence / event then you would be automatically disqualified from providing childcare by your association with that disqualified person. This is known as 'disqualification by association'.

Members of your household also applies to anyone (either child or adult) who lives or works in your household, not just your spouse or partner. When declaring information relating to others in your household, you should be aware that you are required only to declare information which is to the best of your knowledge. You are not obligated to go home and start asking questions of others in your household relating to the above.

You are required to disclose information relating to yourself that would usually be exempt from the Rehabilitation of Offenders Act, i.e. you should declare convictions / cautions irrelevant of whether they are considered spent or not.

When making a declaration relating to others living in your household, the Rehabilitation of Offenders Act would be applicable and therefore only those convictions / cautions which are classed as unspent would need to be disclosed. If you are unclear on what spent and unspent means, let us know so that we can advise you on each individual case.

Ofsted have provided a list of disqualifiable offences which can be found in Table A at:
https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/414345/disqualification-guidance_Feb_15_3.pdf

You need to read through this and contact us before your employment commences if there is anything to declare under the disqualification guidance relating to yourself or anyone else in your household. It is only the offences / events on this list that we require you to declare. If you are unsure of a specific offence / event is applicable after reading the Ofsted lists, then please let us know so that we can advise you appropriately. If you cannot access this information via the link then please also let us know.

You should also be aware that from this point forward if your own, or anyone in your household's, circumstances change relating to the disqualification guidance, you are obligated to inform us of this without delay.

You will be required to sign a copy of this document to confirm that you have read this guidance and that you are clear relating to your obligations regarding disclosure pertaining to Disqualification under the Child Care Act 20016, so please do make sure that you contact us if you are unclear on any part of this.

I have read and understood the information in this document.
