

# Magnus Academy | Post 16 Sports Pathway

Are you passionate about sport? If so, join our evergrowing Sixth Form on our **Sports Pathway**.

The Sports Pathway combines quality education with top-end coaching to develop your academic excellence along with your sporting ability and character.

Choose one of four sports - Football, Rowing, Rugby or Netball - and receive high quality coaching for a number of timetabled hours on site.

You can study BTEC Level 3 Extended Diploma in Sport alone, or combine with A Level or BTEC subjects offered by Magnus Academy Sixth Form.

If you have additional sport interests, bespoke timetables can be arranged with individuals upon acceptance onto the pathway.

For more information, please contact Mr Rylott -
