15th December 2025

Dear Parent/Carer,

School Meal Price Increase

I am writing to inform you that, after careful consideration, we are having to increase the cost of school meals.

This decision has not been taken lightly, and we have been consulting with the trust, in order to work out a solution that is cost effective for everyone. Using this approach, we have managed to keep our meal prices stable for some time. However, with the significantly higher costs that we are now facing for our gas and electric along with the food and non-food inflationary costs, we are now at the point where we need to look at our price per meal costs. Overall, the costs will increase to the prices outlined below:

- Main meals, including pasta, salads and jackets: £2.90
- Snack selection: £1.25
- Bottle of spring water: £1.00
- Flavoured water: £1.10
- Milkshake: £1.00
- Main meal deals £3.30
- Sandwiches: £2.40
- Sandwich deal: £3.30

A full pricelist is available on our website. This increase will take effect from Tuesday 6th January 2026.

Healthy school meals cooked on the premises are available each day. There is a varied menu including a hot main meal, a vegetarian option, jacket potatoes, pasta, and sandwiches. There is also a range of fruit and pudding options.

If there is difficulty in providing payment for meals, please contact the school office as soon as possible. All queries and requests for support are confidential, and we will always work with families to ensure that a solution is found and that we can continue to ensure all students have a suitable meal during the school day.

Thank you for your support and understanding.

Yours sincerely,

Mrs A Martin
Principal
