Statutory Inspection of Anglican and Methodist Schools

I am delighted to share with you the outcome of our recent Statutory Inspection of Anglican and Methodist Schools (SIAMS). We are very proud to announce that Magnus Church of England Academy has had a highly successful inspection, reflecting the strength of our school community and the commitment we all share to our vision of developing people of good character who achieve excellence and make a positive contribution to their communities.

The inspection report highlights many notable strengths, including:

- Our school motto of Character, Excellence, and Community is truly lived out through our Christian teachings, providing a clear and inspiring purpose for all we do.
- The inclusive culture within Magnus has transformed lives, enabling our students to thrive as they discover their God-given uniqueness.
- Daily opportunities for worship, both within and beyond the school day, offer students moments of reflection and inspiration, fostering a strong sense of unity and purpose.
- Our school is recognised as a beacon of hope within the wider community, with strong partnerships that enrich the lives of our students.
- The quality of our Religious Education curriculum is exceptional, encouraging deep thinking, ethical understanding, and respect for diverse faiths and worldviews.
- Our vision rooted in love and perseverance creates a supportive and compassionate environment where all students can flourish.

This outstanding report is a testament to the hard work and dedication of our students, staff, governors, and the wider school community. We are grateful for your continued support and partnership on this journey. Together, we are building a school where every student is valued, challenged, and empowered to live life to the full.
