Dear Parent or Carer,

This week, we at The Message Trust have been in your child's school delivering the Still Standing Tour. Through live music, facts and stats, signposting and personal stories of hope, your child was equipped with practical tips and techniques to look after their mental health and wellbeing.

The tour will end with an optional, extra-curricular LIFT concert on Friday 13th February, run by The Message Trust in partnership with local churches, which your child has been invited to. By attending, your child will have the opportunity to enjoy more live music performances from the band they have seen in school and hear stories of hope and faith.

This concert is being held at St. Anne's Church in Grantham and doors will open at 7pm for a 7:30pm start, ending at 9pm. Tickets are £3 and can be purchased online using the following link www.ticketsource.co.uk/lift or by scanning the QR code below. Please select the 'LIFT Grantham' event and read the additional information given before checkout.

If you require any more details, please contact us at parents@message.org.uk.

Yours sincerely,

The East Midlands Message Trust Hub team
