

14th October 2026

AMM/CJT

Dear Parent/Carer,

We are writing to inform you that the NHS School Aged Immunisation Service will be visiting Magnus Church of England Academy on **Thursday 26th November 2026** to offer the annual flu vaccination to students. The flu vaccination is eligible to children in the UK from reception (FS2) up to and including year 11.

The vaccination session will be delivered and managed entirely by the NHS. The academy's role is limited to hosting the session and supporting student supervision on the day. Consent is also managed by the NHS, not the academy. A consent link will be sent directly to you 3 weeks prior to the vaccination session. If consent or refusal is still outstanding 1 week before the session you will receive an automatic reminder from the NHS team.

As the vaccinations are organised and administered by the NHS, the academy is unable to answer questions or deal with any queries relating to the flu vaccination itself. Any questions about the vaccine, consent, or medical matters must be directed to the NHS School Aged Immunisation Service by calling 03333 583 397 and then selecting option 4.

We will inform the NHS team that the academy does not support young people giving their own consent. However, we will also make it clear that they may only vaccinate students for whom they have the required online consent recorded.

If you do not wish for your child to receive the flu vaccination, please either contact the Immunisation Service on the above number or email the school office at office@magnusacademy.co.uk. We will ensure the NHS vaccination team is informed that your child is not to be immunised.

Yours sincerely,

Mrs A Martin
Principal
